**AMENDMENT**

Dear Sir:

This is responsive to the Final Office Action dated March 11, 1999.

**IN THE CLAIMS:**

Please add the following claims:

7. The method of claim 1 wherein:

said first communication channel is a first set of packets transceived along said network; and

said second communication channel is a second set of packets transceived along said network.

8. The method of communicating between a host computer and a remote terminal over a data network comprising steps of:

establishing a first communication session between said terminal and a communications server via a first communications channel;

downloading, from said server to said terminal, communications software for
